

Pompano

BY LENNAR

A stunning configuration of 3,473 sq. ft. of living space, this home features five spacious bedrooms, three baths to provide plenty of privacy and pampering time, and a colossal kitchen. The family room is always the perfect spot for indoor playtime. There's a fifth bedroom on the first floor. It's perfect for house guests or live-in help. The bonus room upstairs beckons for a library or media room! The split three-car garage provides plenty of room for cars and storage .
